SERVIZI / SERVICES

INTERIOR DESIGN

Da oltre quindici anni mettiamo a disposizione la nostra esperienza fornendo un qualificato servizio di progettazione ed interior design, avvalendoci di un team interno di progettisti.

For over fifteen years, we offer our experience by providing a qualified service of interior design, taking advantage of an internal team of designers.

ARCHITECTS CONSULTING

I nostri servizi si rivolgono anche ad architetti e professionisti. Forniamo consulenza e supporto nelle diverse fasi di sviluppo del progetto fino alla sua realizzazione, gestendo la fornitura di arredi, rivestimenti e servizi di artigiani professionisti, la logistica, il montaggio e l'assistenza post-vendita.

Our services is also aimed at architects and professionals. We provide advice and support in all the phases of development of the project up to its realization, managing the supply of furnishings, surfaces and services of professional artisans, logistics, installation and post-sale assistance.

CONTRACT

La stessa cura e devozione che riserviamo ai progetti privati, la dedichiamo a progetti contract: uffici, edifici pubblici e progetti immobiliari per la realizzazione di appartamenti campione: uno strumento utile alle agenzie per la presentazione di un complesso residenziale.

The same care and devotion which we reserve to private projects, we devote to contract projects: offices, public buildings and real estate projects for the construction of marketing suite: a useful instrument to agencies for the presentation of a residential complex.

COSTUME MADE

In questi anni, la nostra fornitura si è notevolmente arricchita grazie alla collaborazione con laboratori e botteghe di artigiani professionisti e specialisti del vero Made in Italy.

In these years, our supply has considerably enriched thanks to the collaboration with laboratories and artisan workshops, professionals of true Made in Italy.

MATERIAL RESEARCH

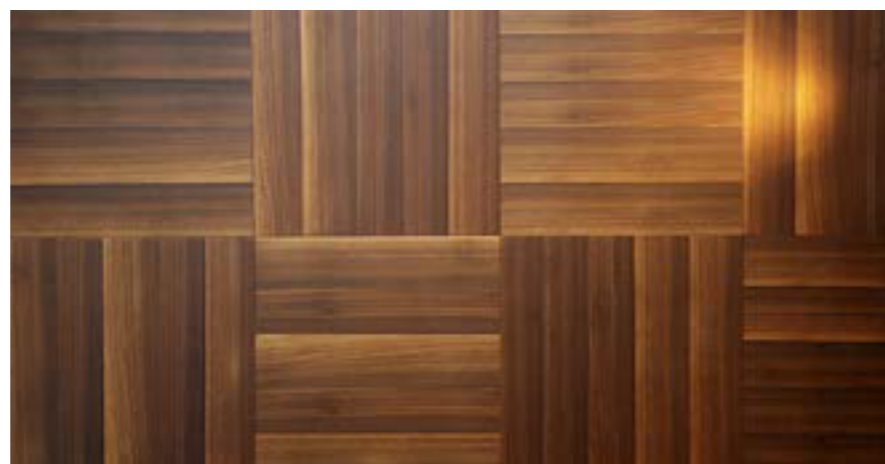

Non ci avvaliamo solo di arredi di serie ma personalizziamo ogni progetto con soluzioni studiate su misura del cliente. La nostra continua ricerca non si rivolge solo alla progettazione ma anche all'utilizzo di materie naturali e innovative: pietre, legni, metalli, pelli e tessuti, selezionati pezzo per pezzo, trattati con cura per esaltare la loro qualità espressiva.

We do not employ only of standard furnishings, but we personalize every project with solutions tailored to the customer. Our continuous research is not only addressed to the design but also to the use of natural and innovative materials: stones, wood, metal, leather and textiles, selected piece by piece, treated with care to exalt their expressive quality.
